

## TANDBERG MediaPlus

Designed for use in educational environments, the TANDBERG MediaPlus offers a unique combination of multimedia tools in a single compact, mobile and secure unit. It features a TANDBERG Precision HD camera and a high resolution projector for exceptional image quality. Integrated stereo audio capabilities make it ideal for classrooms and conference rooms.

The TANDBERG MediaPlus includes a lockable Lexan cover for durability and security. The TANDBERG MediaPlus is available in North America and select countries.
